WILD AND GREEN IN MADAGASCAR

DAY 1: ARRIVAL IN ANTANANARIVO

You will be driven to the hotel where you will spend the night.

PALISSANDRE HOTEL & SPA / LAPASOA

DAY 2: ANTANANARIVO – ANDASIBE

Early morning, we start our journey towards the rainforest of Andasibe. On the way to the park, we will stop in some places to discover the landscape and take photos. We will visit the Marozevo reptile farm and the lunch will be at Moramanga. The famous Sifaka lemur and also various chameleons, snakes, lizards and frogs can be found there. After that, the next step will be Andasibe for a night walk. We will visit two main reserves which are VOIMMA and Mitsinjo to see the nocturnal animals.

VAKONA FOREST LODGE / MANTADIA LODGE / FEON'NY ALA

DAY 3: ANDASIBE

Early morning, we will go to the park to look for lemurs and we will observe various species of plants, trees, insects and reptiles. The main target during this expedition is to see the famous Indri Indri but there are 6 other diurnal lemurs too (Brown Lemur, Bamboo Lemur, Sifaka, Red Bellied Lemur, Black and White Ruffed Lemur). As for the birds, you will see the Blue Coua, the Vanga. We will spend the afternoon on the Vakona Island for close up experiences with the animals. It is an opportunity to take some photos too.

VAKONA FOREST LODGE / MANTADIA LODGE / FEON'NY ALA

DAY 4: ANDASIBE – MANAMBATO

The departure will be at 8:30 .am and we will arrive to Manambato at 11:30 .am, where we will have lunch at Accacia. At 2 .pm, we will take a boat to reach a place well known for hiding the Aye Aye.

PALMARIUM

DAY 5: PALMARIUM RESERVE

At 7:30 .am get ready for the visit of the palmarium. You can find there some lemurs such as Indri, Sifaka, Coronatus, Vareciavariegata, etc. The main attraction will be the exceptional flora like the Orchids, Carnivore plants, Ebony, Mahogany and all the endemic plants (Dypsis, Ravenea, Orania, Voanioala and Lemurophoenix). After this visit, we will continue our travel towards Tamatave where you will stay for the night.

PALMARIUM
